## We Must Make More Room! And Make It Quickly, Too

THE builders will be upon us shortly! In  
building our new home—the seven-story Odd  
Fellows' Temple, which will be built on the site of  
the present temple, next door—it will be necessary  
to tear out our entire north wall. A temporary  
wall will be erected but, of course, there will be  
plenty of dirt and dust. We will lose almost 8,500  
feet of floor space, and we must clear our crowded  
floors of the present stock. Every piece of furni-  
ture in our store is marked at a cut price during  
this big

### "Leonard's Blugray Porcelain"

It's a Real Seamless Porcelain Refrigerator  
and It Costs No More Than White Enamel

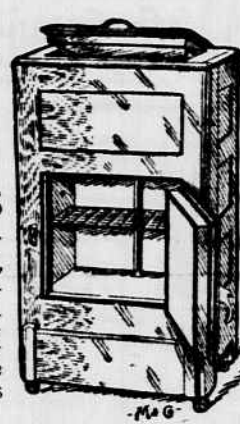

"BLUGRAY" is Leonard's latest achieve-  
ment. A real Porcelain-lined Refrigerator, and at  
a price that is as low as is asked elsewhere for the ordi-  
nary white enamel. "Blugray" is real porcelain; scratch  
it with a knife if you like and you can't chip it. It will  
not crack, craze or peel. "Blugray" porcelain is all in  
one piece; no cracks or seams in which dirt or grease can  
collect. It can be wiped clean with a damp cloth. "Blu-  
gray" is the best low-priced refrigerator made.
